Profile

“It’s rewarding to be part of a sharply focused yet nimble trial team that can go up against high-profile large firms and consistently come away with the best possible results for our client.”

Allen E. Hoover focuses his practice on patent matters, including litigation and trial work, portfolio management, counseling, and licensing. He has served as lead counsel in many patent infringement lawsuits and IPR proceedings. As he describes his approach, “I view patent practice as an integrated discipline that incorporates litigation work, prosecution, and counseling.”

He also focuses on management of law firm risk and on practice management. Allen has served as an expert witness or consultant in a number of third-party proceedings.

Allen is a member of Fitch Even’s Executive Committee.

Representative Matters

- Represents a large medical products company in litigation and other contested matters and leads the Fitch Even team responsible for patent matters for this company.
- Serves as patent procedure authority in patent malpractice actions.
- Acts as internal counsel to the firm for certain contested matters.
- Represents a major European specialty chemicals manufacturer in transactional and opinion matters and leads the Fitch Even team for this client.
- Represents one of the world’s largest coatings companies, again leading the Fitch Even team for this client.
